About Our Organization...

The Church of God Fellowship is a member-sponsored organization. It recognizes that the Church of God is a spiritual organism, not a physical corporation, and therefore remains the same though brethren are physically scattered throughout various organizations.

Since CGF recognizes that God's people may or may not be affiliated with various corporate bodies, yet be part of God's Church, it welcomes brethren who would like to find fellowship with other members of the body of Christ, and who are in agreement with the doctrines, practices and goals of CGF.

The primary mission of CGF is to help the Bride of Jesus Christ prepare herself for marriage to Him by fulfilling the purpose of Christ's ministry as stated in EPH 4:11-14.
